

WHO WE ARE:

Mountaire Farms is the 4th largest chicken company in the United States, still family owned and operated since 1914. Our Delmarva footprint includes two processing plants, two hatcheries, three feed mills, and 11 grain storage facilities.

WHAT WE DO:

We produce healthy, wholesome chicken products for markets locally, regionally and to more than 60 countries around the world. We also believe in giving back to the communities where we do business. We strive for high performance for a higher purpose.

WHAT WE OFFER:

Our company provides speakers for in-classroom sessions to learn about a variety of topics: live production, wastewater, processing operations, engineering and more. We also offer a 10-week summer internship program for college students to gain hands on experience in our industry.

GROWERS: 550+

We support more than 550 independent growers on Delmarva to grow our birds on their family farms, and more Delaware growers than any other company in the region.

JOBS IN DE: 4,849

We have created 4,849 jobs in the state of Delaware for people to provide for their families. These jobs feature competitive pay and excellent benefits.

INDIRECT JOBS: 35,000+

Our business helps support thousands of indirect jobs that rely on the poultry industry.

FACILITIES IN DE: 13

From hatcheries, to feed mills to grain storage facilities, we're invested in Delaware.
